

## Model 460

### PRODUCTION CAPABILITIES:

The high-rise industrial base offers work-holding versatility and stability that is unmatched in the industry. The rugged T-slot table can be raised, lowered and tilted up to 45 degrees with ease, smoothness and precision that will impress those with an eye for well designed machine shop equipment.

One or more specialized work-holding fixtures can be fitted to the table. We now offer the only commercially available dual cylindrical option. This feature is being used with exceptional quality on products as diverse as musical instruments, writing utensils and bowling balls.

### AVAILABLE OPTIONS:

- Multiple Spindles
- Dual cylindrical
- Glass Kit
- Vacuum Chip Removal
- Bottle Boot Kit
- Jewelry Ring/Bracelet Adaptor
